WORK EXPERIENCE

Social Venture Connexion (SVX)   May 2024 – February 2025

Financial Reporting Analyst
- Delivered comprehensive portfolio and performance analysis for the SVX Impact Index, producing detailed historical, budget-to-actual, and risk reports that supported asset-liability management (ALM) modeling and informed business planning and strategic decision-making processes.
- Collaborated cross-functionally with finance, legal, and IT teams to coordinate the documentation and accurate tracking of impact investment pipelines, ensuring regulatory compliance and enhancing market reach in a dynamic investment environment.
- Supported investment committee presentations and capital allocation decisions by conducting thorough due diligence on over 10 impact investment opportunities, including financial model assessments, scenario analyses, risk evaluations, and preparing detailed committee and treasury documentation.

Genpact   April 2022 - August 2023

Risk Reporting Associate- BCM Analytics
- Generated detailed credit risk reports and dashboards, tracking portfolio segmentation, risk metrics, and key performance indicators to provide actionable insights for risk committees and senior management decision-making.
- Led data quality initiatives and acted as a data steward for credit portfolio data, ensuring completeness, accuracy, and compliance with regulatory and internal data governance standards.
- Conducted scenario analysis and stress testing on credit portfolios, evaluating risk exposures and potential loss scenarios to support strategic risk mitigation and enhance risk rating models and automated decisioning tools

Better Mortgage (Better.com)   July 2020 - March 2022

Analyst (Expert Team)
- Streamlined collateral management processes, implementing efficiency strategies that reduced end-to-end loan file SLA by 30%, supporting liquidity and operational risk management aligned to treasury functions.
- Led User Acceptance Testing to identify system functional gaps and implemented solutions, enhancing operational reporting accuracy and end-user experience.
- Supervised Business Intelligence Tool to assess demand trends for key-markets and provide actionable insights

LEADERSHIP AND VOLUNTEER EXPERIENCE

IVEY MSc Consulting Club, Canada   Sept 2023 – Jan 2025

VP Finance
- Managed workflow, did budgeting and prepared partnership proposals for 5 different consulting events.

Net Impact Delhi University, India   2021 - 2023

Member
- Volunteered and hosted several outreach programs in colleges, such as distribution of clothes to underprivileged children.
